

# NorthAmerican Automotive Forensic Consulting Southeast

**P.O. Box 730 Creedmoor, NC. 27522  
800-491-1002**

## **Fee Schedule January 1, 2021**

*Our policy offering a discount of 2% for invoices paid within 30 days remains in effect and we encourage you to take advantage of this discount.*

NorthAmerican Automotive Forensic Consulting Southeast continues our policy of invoicing on a flat rate fee system for on-site vehicle examinations. For our customers, this translates to all-inclusive, predictable examination costs without time or mileage charges, evidence storage fees or additional or unexpected charges. **Note:** Normal Service areas are 150 miles from base of operation. **For services outside of the normal service areas (150 miles), there will be a flat fee charge of .575 per mile.**

**Recovered Theft Vehicle Examination, burned or unburned** **\$695.00**  
Includes on-site vehicle examination and/or burned vehicle processing, part, component or debris recovery, all laboratory fees and full report.

**Vehicle Mechanical Examination** **\$695.00**  
Includes on-site vehicle examination and full report. Can be combined with fluid analysis and control module interrogation.

**EDR Download on vehicles that can be access thru the OBDII port** **\$550.00**  
Event data can be recovered from many vehicles; however there are some that are not supported. Please call to see if vehicle qualifies for download.

**Forced Entry Only Examination, unburned** **\$495.00**  
Includes on-site vehicle examination for evidence of forced entry

**Service Call** **\$395.00**  
No services performed.

Control Module Interrogation and/or Fluid Recovery with written report. **\$450.00**

**Paint Analytical** **\$250.00**  
Recover paint transfers to determine the source.  
Multiple samples are \$65.00 each after initial cost.

**Expert Witness Testimony** **\$750.00**  
Fee per person, per day. Does not include requested or required conferences, displays, research, mileage or required overnight accommodations.

**Depositions** **\$750.00**  
Per person, per day. Does not include requested or required conferences, displays, research, mileage or required overnight accommodations.

### **Optional Services**

**On Board Computer System Download  
(No Black Box Data (EDR) Retrieval)** **\$135.00**

**On-site Motor Oil or Transmission Fluid Recovery** **\$50.00**  
Includes oil/fluid recovery, laboratory fees and report (per sample)

**Mail-In Component or Burned Vehicle Debris Processing** **\$350.00**
